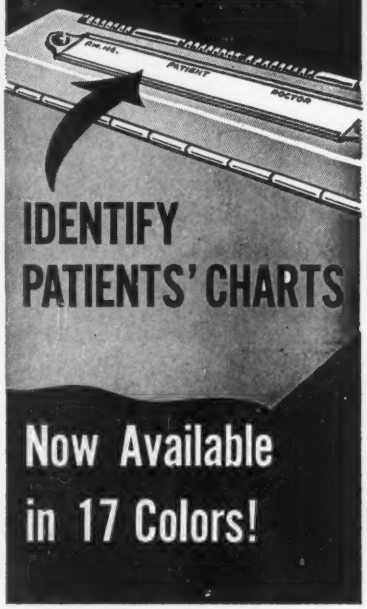
TIME CHART LABELS



IDENTIFY PATIENTS' CHARTS

Now Available in 17 Colors!

Create your own system of patient/room identification with seventeen colors of Time Chart Labels. Use colors to correlate patients with floor, type of case or individual doctor. Write in Patient's name, room number and doctor's name with pen or pencil. Pressure-sensitive adhesive backed labels stick tightly to any surface until intentionally removed. Then the labels come off clean leaving no sticky residue. Time Chart Labels come in 500 inch rolls which may be dispensed from single unit hand dispensers or large 15 roll dispensers. Write for samples and literature.
